

Apkoril

Levosulbutamol 0.50mg+ Ambroxol 15mg+
Guaiphenesin 50mg Syrup

Ambroxol

- * Facilitates expectoration and reduces mucus stasis
- * Augment Antibiotic penetration

Guaiphenesin

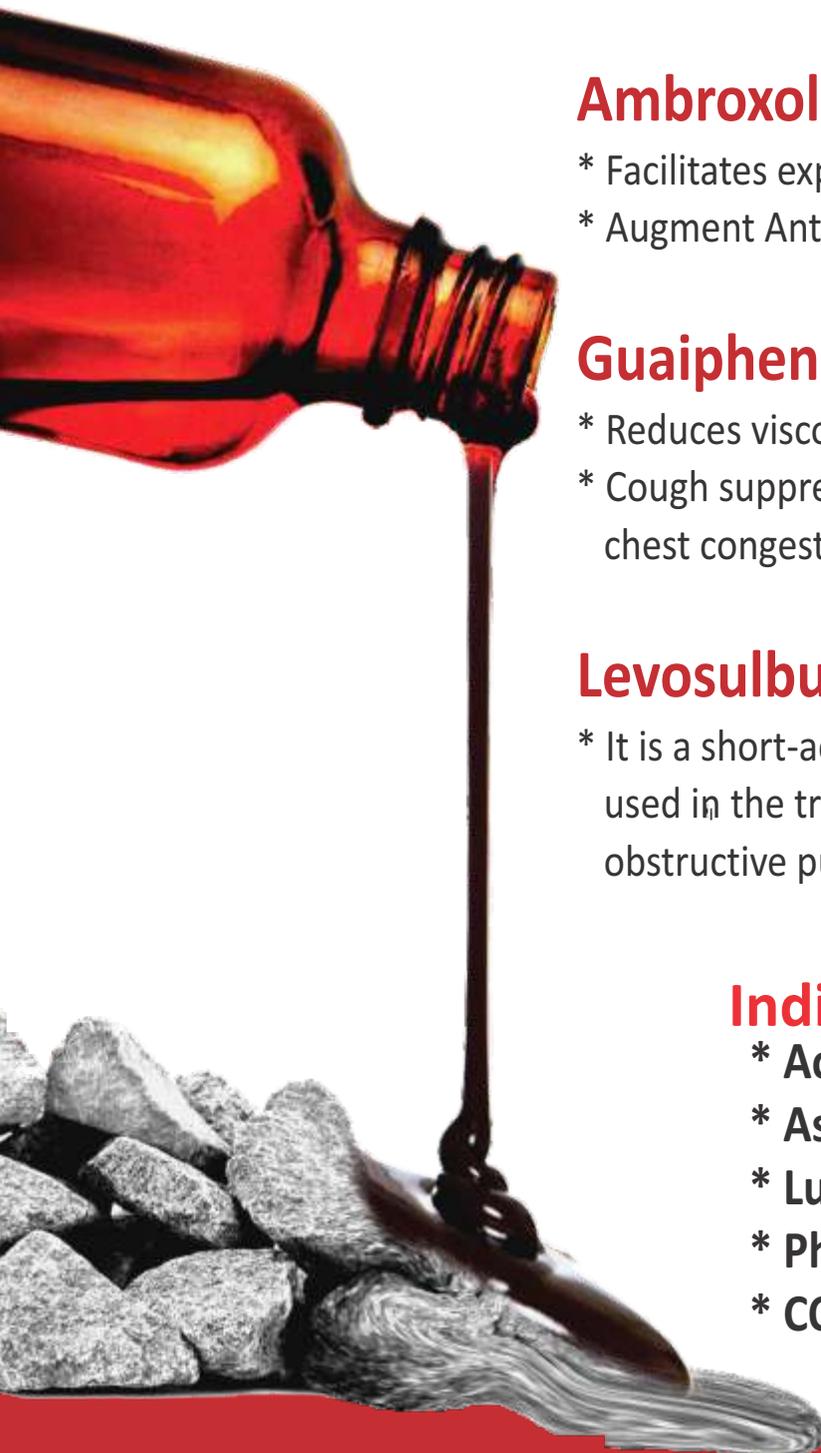

- * Reduces viscosity of sputum,
- * Cough suppressant, Control cough and Relieve chest congestion

Levosulbutamol

- * It is a short-acting β_2 adrenergic receptor agonist used in the treatment of asthma and chronic obstructive pulmonary disease (COPD).

Indications

- * Acute & Chronic Bronchitis
- * Asthmatic Bronchitis
- * Lung Abscess
- * Pneumonia
- * COPD

Jazzy due to Cold & Fever....

APCOLD-P

Chlorpheniramine Maleate 2mg+ Paracetamol 250mg+ Phenylephrine 5mg+
Sodium Citrate 60mg /5ml Syrup

Phenylephrine HCL

Decongestant: Reduces the feeling of congestion & also reduces the production of mucus, helping to relieve a blocked nose.

Chlorpheniramine Maleate

Selective antagonizes peripheral histamine H1 receptors and thus provide relief from allergy.

Paracetamol

Trusted anti-Pyretic analgesic.

Sodium Citrate

Time Tested mucolytic agent.

INDICATIONS

- * Fever Along With Body Pain
- * Nasal allergy with congestion
- * Allergic rhinitis
- * Parental Allergic rhinitis
- * Seasonal Allergic rhinitis
- * Common Cold

Apliv-4G

Liver+ Alkaliser+ Enzyme+ Antacid
Syrup

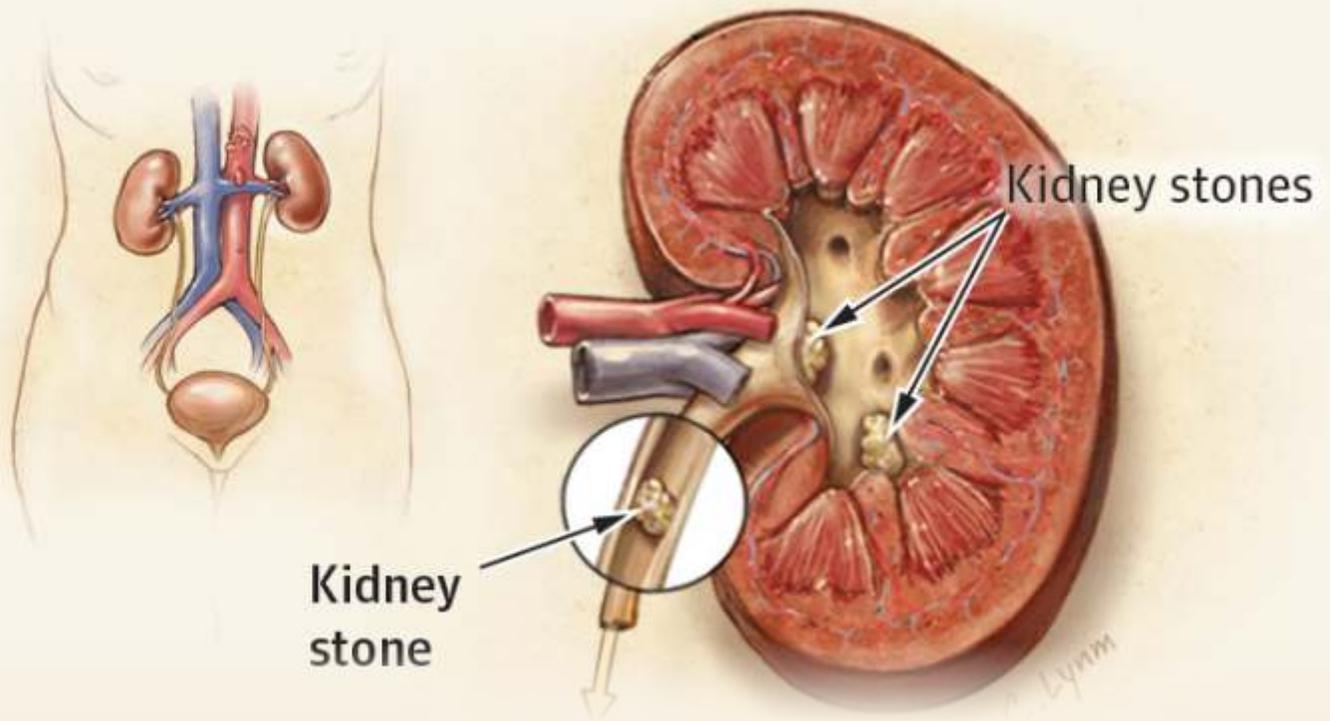

- ❖ A potent Herbo-Mineral compound that affects Liver Cells
- ❖ A Combination that help in promoting general metabolism along with liver stimulant properties. Helps in anaemia & inflammation of liver cells also.

Useful in

VITAL HEPATITS ATONIC CONSTIPATION
**TOXIC HEPATITIS ASSOCIATED WITH FATTY
INFILTRATION OF LIVER**
EARLY PHASE OF LIVER DISEASE
HYPERLIPIDEMIA & HYPERCHOLESTEROLEMIA

Apliv-4G *The most trusted Liver Corrective*

Stone Crusher & Alkalizer...

Stone-Quit

**Stone Herbal Alkalinizer For Renal &
Kidney Stone**

Inhibits calculogenesis by reducing stone-forming substances

Ensures disintegration of the calculi & the crystals

Reduces symptoms of pains & burning micturition

Cleans the sediment & stone of urinary bladder

Offers antispasmodic & anti-inflammation activity thus relieves ureteric colic

Indications

Recurrent Stone Tendency

Kidney Calculi

Ureter/Bladder calculi

Retention of Urine

Pitting Edema

Takes Care of Your Kidney

NORTAP-P

Nortriptyline 10mg+ Pregabalin 75mg **Tablet**

PREGABALIN

- * Reduces pain through selectively modulating the nociceptive processing
- * Blocks α_2 & sub unit of calcium channels
- * Offers both anti-epileptic with analgesic property

NORTRIPTYLINE

- * Checks clinical comorbidities such as depression and sleep disorders

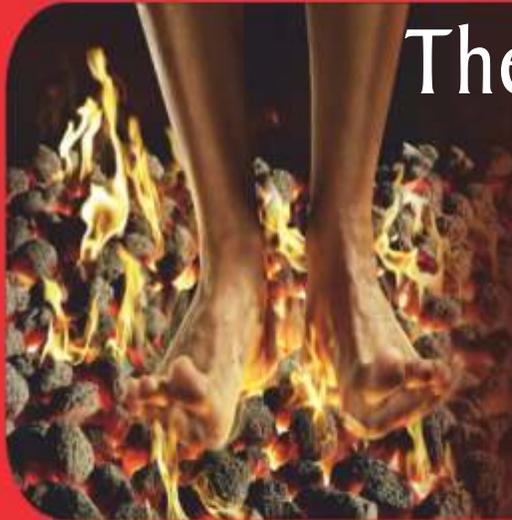

In **CHRONIC & SEVERE PAIN**....

Eradicates Pain & Guards Relief

The Perfect Combination

Tablets

GABAAP-M

Methylcobalamin 500mcg, Gabapentin 300mg

For tingling & Neuropath

METHYLCOBALAMIN

- Increases protein synthesis & helps regenerate nerves
- Achieves high concentration in spinal fluid
- Lessens pain and parasthesia (numbness or tingling) & improves sensory nerve conduction velocities
- Reduces high homocysteine levels
- Improves quality of sleep with better alertness & concentration

Clin Ther 2003;25(12):3124-3134.

Prohealth Library, Feb.1, 1999

GABAPENTIN

- Relieves numbness or tingling due to nerve damage in people who have diabetes
- Exhibits positive effects on mood and quality of life

JK Science;Vol. 6 No. 3, July-September 2004

Indications

- Peripheral Neuropathy
- Diabetic Neuropathy
- Bell's Palsy
- Sciatica
- Trigeminal Neuralgia

GABAAP-M

...Regularize neuronal eflow to control neuropathy

VITOPOD-200

Cefpodoxime Proxetil I.P. 200mg

- Third generation oral cephalosporin
- High stability against beta - lactamase producing organism
- Convenient BID dosage

Indications

- Acute Otitis Media
- Acute Community-Acquired Pneumonia
- Sinusitis
- Urinary Tract Infections
- Pharyngitis
- Skin And Soft Tissue Infections
- Tonsillitis
- Cervical, Urethral Gonorrhoea

Meet the extra calcium needs with...

Tablets

CALCIJUS-CT

Calcium Carbonate 500mg + Calcitriol 0.25mcg + Zinc 7.5 mg

Calcium Carbonate

- Highly water soluble (Easy Ionization in water)
Rapid, uniform & complete absorption (upto 98%)
Can be taken any time during the day
Doses not interfere with iron absorption,
No GI side effect

Calcitriol

- Reduces the rate of vertebral fractures in postmenopausal woman
(Nejm 326 : 357-62; 1992)
- Increases the calcium absorptions
- The Calcitriol treatment increases bone mass at the femoral neck and lumber spine, the increases being maintained for up to 4 years

Zinc Sulphate

- Zinc Sulphate has important role in various biological activities, synthesis of nucleic acids & metabolism of protein, Carbohydrates & Lipids
- Also helps in development of cell mediated immunity

Marked Reduction in incidence of fractures

5.9 % as against 12.9 % in patients not on calcium therapy
(J.Clin. Endo. meta. 1999; 464-70)

COLD

Rx

TABLET

VITOCOLD

Paracetamol 500mg + Phenylephrine 5mg + Cetirizine 5mg

Paracetamol

- Acts as an analgesic, anti-pyretic and anti-inflammatory.
- Acts by inhibiting the enzyme cyclo-oxygenase (COX) and has a high affinity for COX-2.

Phenylephrine

- Is an alpha-antagonist which functions as a decongestant due to vasoconstriction of nasal blood vessels thereby decreasing the blood flow to the sinusoidal vessels, leading to decreased mucosal edema.
- More effective than pseudoephedrine as it does not cause side effects like CNS stimulation, insomnia, anxiety, irritability and restlessness.

Chlorpheniramine

- Potent first-generation histamine H(1) receptor antagonist
- Produces antinociceptive effect through antagonism of A2A receptors.

Indications

Cough and cold

Seasonal allergic rhinitis (SAR)

Perennial allergic rhinitis (PAR)

Seasonal nasal allergies

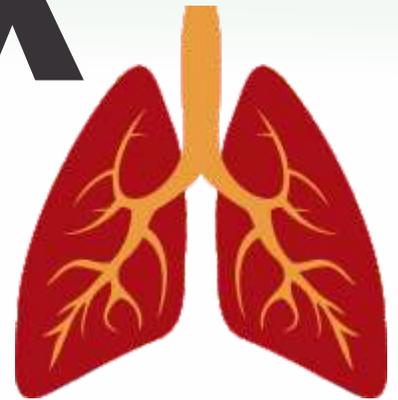

Riddance from the irritation of nasal allergies

For Free Flow Breathing...

Cardiovascular Complication

Quality and Reliability is our highest Concern...

**Adds Quality
to life**

CARNIVIT-Q10

Each 5ml Contains: L- Carnitine 500 Mg + Co-enzyme Q-10 30 Mg (Mango Flavor)

Coenzyme-Q10 is similar to vitamin and is found in every cell of our body. It is used to produce energy for cell growth and maintenance. It also functions as an antioxidant and helps to protect the cardiac and skeletal muscles.

L-Carnitine is a natural metabolic energizer. It is also used to retain memory in elderly patients.

Omega 3 Fatty Acid have anti-inflammatory effect and therefore are helpful in reducing the risk of chronic diseases.

Selenium increases the immunity and plays a key role in maintaining a healthy metabolism.
